<p><b>General Comments</b></p> <p>Completed follow up to renewal inspection today. Some debris/broken toys remain within the outdoor play area but are currently frozen to the ground. These must be removed once thawed. The nails have been removed from the cribbing boards surrounding the garden, and the boards are also to be removed once the snow/ice disappear and these are accessible. Quality Assurance Monitor to follow up on next monitoring inspection. Inspector contact information has been updated to board. Ensure parent board is accessible for parents and in a prominent place once parents are to enter facility again in future.</p>
