| General Comments |
| <p>A renewal inspection occurred today. The children were observed during inside play due to inclement weather. The educators have a wide variety of age appropriate materials for the children to interact and engage with and the children were observed creating with Pearler Beads, bracelet looms, playing games, drawing on the white board, and having afternoon snack.</p> <p>Discussed with Educators loose parts such as plastic pipes for building, pieces of laminate flooring to create ramps and roads, having real pots/pans and dishes in the kitchen area to create an authentic feeling kitchen. Discussed with Educators "cookie cutter art" and working towards more child created art work.</p> |
