24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (f) daily attendance records of the children on forms provided by the Minister.	24(1)(f)	Sep 03, 2020	
Comments: 2 children not signed in on daily attendance records today in infant room.			

<p><b>General Comments</b></p> <p>The children within each room were observed to be actively engaged in activity with accessible toys and materials along with their peers. Educators were participating along with the children and attentive to the children. The children moved from one activity to the other without difficulty, both inside and outside. A general well established routine of the day was evident.</p> <p>This facility meets the qualifications and training requirements as per Licensing Regulation 11(c)(ii) (A) at least 50% of educators must hold a one year Early Childhood Education Certificate, and (B) an administrator must hold a one year Early Childhood Education Certificate.</p> <p>The children's learning environments were observed to be clean and organized during the inspection. Staff communicated having a well established cleaning routine and they are maintaining their bubble groupings. Distancing between groups was observed in traffic areas.</p> <p>Handwashing was observed frequently during the inspection. The dining area is being used by each group with staggered snack and meal times. If two groups are scheduled for the same time, there is a distance of at least 6 feet between bubble groups. Proper cleaning of the dining space is occurring between groups.</p> <p>Ensure that posted documentation that is at the children's level is easily cleaned by lamination or placed in a plastic page protector. Documentation in each room reflects the children's current interests and supports their learning.</p> <p>Reminder that collections of outdoor treasures (leaves, pine cones, and so on) are to be discarded daily and replaced. These items cannot be cleaned.</p>
