General Comments
<p>A renewal inspection was conducted today.</p> <p>The children were observed during inside play, lunch, nap/quiet time. The educators indicated that the children did get out earlier in the morning prior to the raining beginning and explored the area on walk, discovering birds and worms as they explored the neighbourhood.</p> <p>The individual learning environments are alive with the children's learning and exploration. From pictures of their activities, art activities and webs are in each room. A wide variety of materials are available for the children to interact and engage with. The children were observed creating art, exploring birds, playing with playdough, toy cars/trucks, imaginative play, and laughing with their peers and educators.</p> <p>The educators were observed down on the floor with the children engaged with them in their learning and play. They were also observed having meaningful and respectful conversations with the children in their care.</p>
