<p>General Comments</p> <p>Application for Changes and accompanying documents required for changes to the premises sent via email. Discussed with operator that departmental approval must be obtained before any changes are made.</p> <p>Children and educators engaged in play and learning in the outdoor environment during monitoring inspection. Educators observed to be very attentive to children. Discussed with administrator need to ensure children are not waiting for long periods of time during transitions (i.e. Snack, preparing for outdoor time). Long wait times can contribute to challenging behaviors.</p>
