<p><b>General Comments</b></p> <p>A renewal inspection occurred today. The children were observed during indoor play, morning snack, outside play, lunch, nap/quiet time and afternoon play. Handwashing and diaper changing routines were also observed. In each of the learning environments there is a wide variety of age-appropriate materials for the children to interact and engage with. During outside play the children were observed playing in the sandbox, climbing climbers, painting, running, playing in the playhouse and going in and out of the outdoor classrooms, one in the preschool outside play area and one in the school-age outside play area, these are made from baby barns. Positive interactions between the educators and the children were also observed during the inspection. Facility is recommended for license renewal.</p>
