General Comments
<p>Educators and children were observed engaged in morning meeting and snack time during today's monitoring inspection. Educators invited children's participation and collaboration during morning meetings. At snack, educators sat with the children engaging in conversation with them as they ate before preparing for outdoor play. Younger infants were on a walk, taking advantage of the nice weather.</p> <p>Discussed with on-site administrator to ensure that creative art materials are not just available for the children but that they are easily accessible so that children may independently choose these materials during free play time.</p> <p>Emergency evacuation and fire drill records were checked today and were complete.</p>
