Comments: Deficiency is now compliant			

General Comments
A Monitoring Inspection was completed this morning. Children were observed during inside play and snack. Several forms of documentation were observed throughout the facility - webs, photos, children's artwork, and learning stories. Several well-defined learning / play areas were observed - building, reading, arts & crafts, dramatic play, etc. Diaper changing procedures were observed and followed. Hand washing procedures were observed and followed. Positive Child Guidance Techniques were observed - Educators speaking in a positive tone, and educators sitting with the children, taking part in activities and play. The outdoor play environment was observed. Ice was observed, however it was not slippery, as it was sanded.
