28(3) The premises of a licensed facility shall comply with (a) lighting, ventilation and other general health standards under the Public Health Act.	28(3)(a)	Oct 10, 2023	Oct 23, 2023
Comments: Deficiency is now compliant			
33(1) An operator of a licensed facility shall provide outdoor play area materials and equipment that are varied and in sufficient quantity for the number and ages of the children receiving services at the licensed facility.	33(1)	Oct 27, 2023	
Comments: During the follow up inspection, it was observed in the fenced in play yard that there was not enough outside play materials for the number of children present. (Twenty-three (23) children in the outside play area.) Observed were two buckets, two shovels, and one large stainless-steel bowl. There was a parachute observed, however it was in the storage bin located adjacent to the slide structure. Trucks, cars, balls, buckets, shovels, wagons, balance beams, wagons/wheelbarrows, water table winter toys shovels, scoops are some suggestions.			

General Comments
A follow up inspection occurred today. While there it was observed that the children in the outside play area have very little materials to interact and engage with. Discussed with Educators during inspection. After Inspector left the facility, the Administrator, sent pictures indicating that she has purchased some materials for the outside. Inspector will follow up at a later today.
