Comments: Annual inspection and follow up inspection not posted on the Parent Board.			

<p><b>General Comments</b></p> <p>Children engaged in variety of activities in each learning environment this morning including reading, singing, art, block play and outdoor play. Each learning environment is set with invitations for the children to explore and interact with each other. Books are placed throughout each room to encourage children to enjoy a story on their own or with a friend.</p> <p>Documentation is posted in plastic sleeves allowing for easy sanitization. Documentation includes photos of the children and examples of their learning and interests.</p> <p>Positive interactions were observed between the educators and children during play, transition times, toileting routines and hand washing. Educators observed encouraging children to problem solve with each other.</p> <p>Frequent cleaning of high touch surfaces was observed today. Staff are working endlessly to ensure environments are clean and safe for the children.</p> <p>Basic art materials (markers, scissors, glue and pencils) can be added to each learning environment to allow children to explore open ended art. Ensure these materials are included in your cleaning routine.</p> <p>Inspector and Quality Assurance Monitor information needs updated on Parent Board.</p>
