32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (c) in compliance with the Canada Consumer Product Safety Act (Canada) and the regulations under that Act.	32(1)(c)	Feb 02, 2023	
Comments: 2-year-old room: Art area, small parts such as buttons, google eyes on shelf. These are to be available but not accessible to the children. Discussed with educators in the room having these items in a covered container. When the children would like to use them, they can bring them from the art shelf to the educators to be used under direct supervision.			
43 An operator of a licensed facility shall not permit hot beverages in areas that are occupied by the children receiving services at the licensed facility, including the outdoor play area.	43	Feb 02, 2023	
Comments: 2-year-old room: Coffee cup/Contingo observed on shelf. When educators were asked what it held, the indicated it did have coffee in it.			

General Comments
<p>A renewal inspection was conducted today.</p> <p>The children were observed during inside and outside play, lunch, and quiet/nap time.</p> <p>Proper diaper changing routines and handwashing routines were observed throughout the day.</p> <p>The children's interests were observed in each of the learning environments: Farm, building, zoo and snow interests are evident in each of the rooms. Documentation supporting these interests are displayed in the forms of webs, pictures, learning stories and captions.</p> <p>The learning environments in each room have a wide variety of age-appropriate interests centres and materials available for the children to interact and engage with at any time.</p> <p>Educators were observed having positive interactions with the children and responding and tending to their needs.</p>
