<b>General Comments</b>
<p>Annual Inspection:</p> <p>Educators have created engaging environments for the children to learn and explore. Children participated in outside play during inspection. During inspection it was noted that documentation supporting the children's learning is displayed for them to revisit.</p> <p>Outside play area for school-age children has had large climbing structure removed and will be replacing with new items for children to engage with.</p> <p>Discussed with educator the After School Winter Grant that they facility received. The children participated in a variety of activities both at the facility in the community. Great documentation supporting the children's learning from this project is displayed in the binder.</p>
