General Comments

A Renewal Inspection was completed in the Afterschool program this afternoon. Children were arriving at the same times as Quality Assurance Monitor. Children washed their hands upon arrival and were given some free time. Children were observed putting sunscreen on, before heading outside. Once returning inside, children washed their hands, and Caesar salad was served for snack. Documentation was observed throughout the facility. Educators were engaged, talking to, and asking children about their day, and taking part in some activities.
