Order for Compliance	Regulation	Date to be corrected	Date corrected
31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children.	31(3)	Sep 03, 2024	
Comments: Outdoor Play Area: Surfacing pooling away from underneath swings, slide, and climbing wall. Surfacing to be raked and pulled back under equipment fall zones. Monkey bars - surfacing compacted and depleted. Surfacing material to be replenished and area to be raked. Monkey bars are not to be used by children until surfacing material is replenished.			
32(1) An operator of a licensed facility shall provide indoor play area materials and equipment that are (d) clean and in good repair.	32(1)(d)	Sep 03, 2024	
Comments: Purple Room: Map rug in block area in poor repair. To be replaced.			

<p>General Comments</p> <p>Monitoring Inspection: Full Day Summer Program - Purple Room is the only room open today due to low number of children in attendance.</p> <p>Children and educators observed engaged in a variety of activities this morning including baking cookies, board games, dramatic play and Lego. The environment is set up with a variety of materials and invitations for the children to explore. Documentation is posted throughout the learning environment that supports the children's current interests (Lego, hair salon, the Olympics and baking).</p> <p>A binder with learning stories, documentation and photos of the children has been created and added to the reading area. This gives children the opportunity to revisit their experiences.</p> <p>Discussed with staff moving bin of sunscreen from the floor in the indoor play area as, sunscreen states on the bottle to be kept out of reach of children.</p> <p>Hand washing routines observed. One staff file reviewed. All required documents are in place.</p>
