General Comments
A Monitoring Inspection was completed this morning. QAM observed children during inside and outside play. Documentation was observed throughout the facility - word webs - (All About Me, Apple Picking, Balloon Fiesta), children's artwork with written descriptions, and several documented learning activities 2's and 3's - While outside, children were observed sitting in a blue boat, while an educator sang "Row Row Row your Boat". Children were observed singing along and laughing. While inside, children were observed washing their hands, before sitting at their tables, to eat snack. Educators were engaged, sitting, and conversing with the children. 4's - While inside, the children were observed playing with toy vehicles, drawing & coloring, completing puzzles, painting, and playing with dolls and a dollhouse. While outside, children were observed playing at the mud centre, dirtying, and then cleaning their baby dolls. Educators were engaged, and positive child guidance techniques were observed.
