<p>General Comments</p> <p>A monitoring inspection occurred today, January 29, 2025. The children were observed during indoor morning play, morning snack, preparing for outside play and outside play. Mandatory attendance records were reviewed and verified complete. Daily routine allowed for children to be flexible in their activities and children in all three groups were observed playing outside in the fenced play area. Children's current and past learning is documented and displayed in each of the three learning environments using varying forms of documentation. IE: pictures, learning stories, webs, art and captions.</p>
