| General Comments |
| <p>A monitoring inspection was completed today.</p> <p>Children participated in outdoor play, enjoying the snow, making snow cones and slushies in the outdoor play kitchen, playing on the play structure and with dinosaurs that were set up on a table.</p> <p>The indoor play area is purposely planned. Materials for children are neatly displayed to invite their engagement. Books are present in all interest centres inviting children to engage with literacy. Documentation of children's interests and learning are posted at their level, providing opportunities for them to revisit their learning.</p> <p>Handwashing observed during transitions.</p> |
