Order for Compliance	Regulation	Date to be corrected	Date corrected
31(3) An operator shall maintain the outdoor play area of a licensed facility to ensure the safety of the children. Comments: Picnic table has rotted boards.	31(3)	Jul 19, 2019	
39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies; Comments: Windshield washer fluid on shelf in closet in one room.	39(2)(a)	Jul 19, 2019	

<p>General Comments</p> <p>Today is a graduation celebration to acknowledge those children who will no longer be attending the facility. A number of fun activities planned for the children.</p> <p>Documentation clearly indicates that the children have been actively participating in a variety of planned experiments, art activities and projects. Homemade games have been made together with the children.</p> <p>The children reported being very happy attending the after school program and were excited to engage in conversation about activities that they had recently participated in. Lots of laughter and cooperative play!</p>
