Comments: Annual inspection from 2022 not posted. Annual inspection reports are to be remain posted until the next annual inspection is completed.			

<p><b>General Comments</b></p> <p>A renewal inspection occurred today, July 31, 2023. This summer program combines children from this location, Lakefield Elementary and Chris Saunders Elementary for the summer months. Upon arrival the children were observed applying sunscreen and getting ready to head to KV Fields for outside activities such as soccer and baseball. The children were observed taking a parachute with as well. Upon arrival back at the centre the children were observed during handwashing after outside play. One child was observed creating playing restaurant, in which the inspector was served "tea" "Coffee" "cupcakes" "strawberry shortcake" and "peanut butter/jam wrap". All made with the children's imaginations. The other children were observed creating art, playing with Barbie's, creating with blocks and Lego and playing games in the games room. Discussed with Summer Administrator the importance that parents/guardians "accompany their children to and from the program and make sure they are under adult supervision before leaving" as per the facilities parent handbook. The bus that is used to transport the children was not inspected as it was unavailable at time of inspection. This will be done at follow-up inspection, prior to the license expiration on September 30, 2023.</p>
