<p><b>General Comments</b></p> <p>The children were observed to be participating in a variety of activities in the interest centers that were set up and available to them in their learning environment. Educators were engaging with the children at their level.</p> <p>Documentation posted throughout the facility is evidence of the children's current interests and learning. The children's portfolios are up-to-date with recent , consistent entries.</p> <p>Discussed with educators their strength in valuing the children's learning environment by organizing the space and materials so as to be the "third teacher". Also, valuing children and relationships through conversation and nurturing interactions.</p> <p>Observations: The children are very familiar with the daily routine. Decreased waiting times with singing and fingerplays. A balance of indoor and outdoor play.</p>
