General Comments
<p>A renewal inspection was conducted today. Children were observed in sensory/water play, outside play, art and preparing for lunch.</p> <p>A variety of materials have been added to the indoor play area to enhance the children's learning and interests. A new floor has been added throughout the facility, this addition enhances the quality of the learning environments.</p> <p>The educators and children were observed engaged in conversation and play both inside and outside. Educators were observed down at the children's level speaking kindly and respectfully to the children.</p> <p>The children appeared happy and content in their environments and with their educators.</p>
