General Comments
<p>A renewal inspection occurred today.</p> <p>All staff files were reviewed by Inspector and verified complete. A random review of six (6) children's files occurred and were verified complete. Educators have completed the required number of Professional Learning that is required of Early Childhood Educators each year.</p> <p>During the inspection, Inspector observed the children preparing to go for a neighbourhood walk. When the children and educators returned, Inspector was told of the adventures to Harbour Passage, Market Square, Brunswick Square and back down Sydney Street to the centre. Children talked about the Christmas trees they saw during their walk.</p> <p>During lunch, the educators were observed sitting with the children engaged in conversations and having lunch with them.</p> <p>The children's learning was observed documented and displayed throughout the learning environments. Pictures and stories of the children exploring the inside of pumpkins, walks along Harbour Passage and seeing all the construction. Exploring chestnuts they found on their walks.</p> <p>It was also observed in the learning environments, books set up throughout for the children to interact and engage with at any time. Multiple languages were also observed documented and displayed throughout.</p> <p>Inspector observed positive interactions between the educators and the children were observed during the inspection. Educators were observed down at the level of the children when speaking and interacting with them. Using positive child guidance techniques when redirecting behaviours and speaking kindly and appropriately to them.</p> <p>Facility is recommended for license renewal.</p>
