<p><b>General Comments</b></p> <p>Monitoring inspection completed this morning.</p> <p>The early learning environment is set up with a variety of materials that are easily accessible to the children. Invitations inspire children to explore the environment and provide choice for children to explore what they want to play with and create. Books are also provided throughout interest centres and with invitations to encourage literacy and extend learning.</p> <p>Invitations that promote creative art with a focus on the process were also available including easel painting, paper and markers, and loose parts.</p> <p>Children moved freely throughout the learning environment engaging in cooperative and solitary play. Educators engaged with children at their level, using positive language, asking open-ended questions, and listening attentively as children spoke.</p> <p>Children were observed to be familiar with the flow of the day, transitioning easily between activities.</p> <p>Reminder that checks are required for members of the Board of Directors by January 1, 2023.</p>
