<p>General Comments</p> <p>A Monitoring Inspection occurred today.</p> <p>All administrative documentation such as the License, Evacuation Plan, Previous Monitoring and Inspection reports were prominently displayed on parent board. Attendance records were present and accurate with absent codes entered.</p> <p>Children were observed engaged in play in both the indoor and outdoor play environment.</p> <p>Indoors, children gathered in the dramatic play kitchen, creating new recipes with pretend food and served food on plates to visitors. A variety of learning centers were clearly marked and supplied with an abundance of materials.</p> <p>Outdoors, children played in the designated outdoor play area. A variety of materials are available for use in the outdoor play area, including wooden boards, trucks, mud kitchen and accessories. Children were engaged with their educator in building an obstacle course out of loose parts such as wooden planks.</p> <p>Throughout the inspection Educators were observed engaged with children and materials, and in conversation with children as they played using positive child guidance techniques, resulting in a smooth clean up transition.</p> <p>Purposeful planning was evident as documentation was posted throughout, demonstrating children's learning, activities, and included photos, and creative artwork samples.</p> <p>Labels with words and pictures were observed throughout the center, supporting children's literacy learning and the photos of children displayed at eye level created a welcoming environment and a sense of belonging.</p>
