<p><b>General Comments</b></p> <p>A renewal inspection was conducted today. There were no orders for compliance and the facility is recommended for license renewal.</p> <p>The children were observed during snack, inside play, rest/quiet time, and outside play. There is a wide variety of materials for the children to interact and engage with in each of the learning environments.</p> <p>In the outdoor environment the children were observed riding plasma cars, playing with bubbles, painting and looking at books. Documentation binders in each room show the children's recent and past learning experiences.</p> <p>The educators were observed down at the level of the children engaged with them in their learning and play. They were also observed having respectful and responsive relationships with the children in their care tending to their needs and comforting the children when needed.</p>
