General Comments
<p>A monitoring Inspection occurred in the morning of February 6, 2026.</p> <p>The children were observed in a variety of activities indoors, that included reading books alongside their educator, playing with play duh, singing songs, playing with dinosaurs, and exploring sand and water invitations. Additionally, they were observed eating lunch with handwashing occurring beforehand.</p> <p>Several forms of documentation were visible throughout the facility, including learning stories, learning webs, photographs, and children's artwork. The rooms were well organized and inviting, offering a varied supply of age-appropriate materials, books, and toys.</p> <p>Educators demonstrated positive interactions by using encouraging language and gentle reminders. They asked open-ended questions, listened actively, and extended children's ideas through conversations.</p> <p>A clearly visible and prominent area was designated for posting the facility license, current monitoring reports, and any orders for compliance. Additional documents observed included incident logs, three staff files, daily information sheets, daily attendance records, and monthly emergency evacuation and fire drills.</p>
