| <p>General Comments</p> <p>The after school program is set up with many wonderful invitations. Children were observed engaged in outdoor play, art and dramatic play today. Educators observed helping children with their homework.</p> <p>Discussed with operator children's arrival time. This seems to be a overwhelming time for educators. We discussed solutions that could help educators during the arrival period. Educators do a very good job making sure all children are counted and signed in.</p> |
