<p>General Comments</p> <p>Monitoring inspection - COVID-19 Recovery Phase:</p> <p>Children and educators engaged in play both indoors and outdoors this morning. Many positive interactions between educators and children were observed during visit. Children have been spending extra time outdoors to reduce contacts.</p> <p>Staff have worked hard to organize the indoor environment to allow for social distancing between groups. Each group has their own washroom which is cleaned frequently. Toys that are not easily cleaned have been removed.</p> <p>Hand washing routines were observed today.</p> <p>An extra staff member has been added to ensure cleaning/sanitizing is done well and often. Educators are working very hard to ensure all Recovery Phase Guidelines are in place.</p>
