<p>General Comments</p> <p>Monitoring Inspection:</p> <p>Children and educators engaged in a variety of activities this afternoon including gross motor activities in the gym, sensory opportunities, open-ended art, outdoor play, board games and dramatic play. The learning environments are set-up with invitations that support the children's current interests (clay, art, board games, Lego, outdoor play, and shops).</p> <p>Educators have a variety of invitations ready to set-up during outdoor play. Today they were setting up and taking them down between rainstorms. Photos of the children show the variety of different activities they have been involved in outdoors. Loose parts have been added to support children's open-ended play.</p> <p>Monthly fire drills are documented. Hand washing routines observed.</p>
