<p>General Comments</p> <p>Preschool Room:</p> <p>Children engaged in outdoor play. Many materials added to the learning environment to add to the children's interest of animals. Improvements have been made in the interest centers and new materials have been added since last visit.</p> <p>After School Room:</p> <p>Children engaged in play both indoors and outdoors. Educators observed playing games and having conversations with children during transition times. This is great way to make transitions easier for everyone. Educator observed positively redirecting a child who was running in the room. This is nice to see.</p>

General Comments
