<p>General Comments</p> <p>Follow up to annual inspection:</p> <p>The addition of the educators cabinet in the preschool room has created space where educators can store items securely and have easy access during hours children are in attendance.</p> <p>School-age room the parent board has been relocated to above the cubbies so parents can easily access all necessary information. Discussed with Laura the Y after school program and will be discussing further to ensure program meets licensing and regulations.</p>
