General Comments
Monitoring Inspection to follow up on orders for compliance ahead of Renewal Inspection: All order now compliant. Children and educators observed engaged in a variety of activities this afternoon including open-ended art, card games and Lego. Purposeful planning is evident through documentation on planning sheets, invitations and materials added to the environments. Ensure children's hooks are reattached to the wall in closet before Renewal Inspection. Next steps: Adding photos of the children throughout the environments. Creating a binder with photos, documentation and children's questions to add to the cozy area for children to revisit their experiences. Hand washing routines observed after school and before snack.

General Comments

Monthly fire drills are documented.
Attendance forms completed as children arrived.
Chips and salsa were served for afternoon snack.
