General Comments

Hand washing routines observed today.
A healthy snack was served today.

Recommend dividing group into smaller groups to help with crowding and noise. (Example: 15 in gym and 15 outside, etc)

Would like to see an open snack where children serve themselves.

Coat room/cubby area must be left unlocked for the children and parents to have access to the children's belongings. It was observed today that the educators must unlock the room each time a child departs for the day.
