General Comments
<p>Monitoring Inspection:</p> <p>Children and educators observed engaged in a variety of activities this afternoon including open-ended art, board games, music, building, creating with clay, outdoor play and a puppet show. A variety of materials and invitations are set-up for the children to explore freely. Purposeful planning is evident through documentation on weekly planning sheets. Next steps - to add photos of the children to the main indoor play area.</p> <p>Snack is set out for the children to serve themselves independently. Cucumbers, carrots, crackers and cheese were served for snack.</p>

General Comments

Handwashing routines observed at arrival and before snack.

Monthly fire drills are documented.

Daily attendance forms were observed to be completed and accurate.

New staff file (3) review was completed; all required documents are in place.

Incident Logs - some incident logs were observed to be missing the facility information. Recommend prepopulating this information before printing incident log forms to allow for staff to complete logs more quickly. Ensure dates include the year.
