General Comments

A renewal inspection was conducted today.

Children observed in both inside and outside play. Children appeared happy and content in their environment and educators observed speaking and interacting appropriately with the children.

Discussed with educators ideas for open snack, ensuring that children have time and space for it. Discussed designating a particular table(s) for this so children are eating snack only and not engaging with toys/games.

Discussed outside play and children wearing appropriate attire when weather is cold (jackets, hats, mittens) or warm (sunscreen).

Ensure any person driving the bus has a copy of their drivers license and drivers abstract in their file.
