<b>General Comments</b>  A renewal inspection occurred today. The children were observed both indoors and out on the ice within the rink. The educators have indoor props and materials displayed, organized and labelled to support maintenance and care. Invitations were open-ended to provide multiple choices, solutions and possibilities for exploration and investigation.
---

General Comments

There was creative and reflective painting, modelling and mark making art throughout the environment. The areas were flexible to accommodate children's emerging interests. The children made a puppet theatre that displayed the children's current interests. There were opportunities for sensory learning, social interaction, language, exploration manipulation and representation. All checks were observed and complete. Children and staff files were observed and complete.
