Comments: Deficiency is now compliant			

General Comments
<p>Monitoring Inspection:</p> <p>Children and educators observed engaged in a variety of outdoor play activities this afternoon including soccer, basketball, freeze tag and exploring the playground equipment. A small group of children and their educator were observing some bugs, the educator asked the children questions about what they thought about the bugs and added information to engage in a meaningful conversation with the children.</p> <p>The indoor environment is set up with a variety of materials for the children to explore freely. New tables and chairs have been added. The cozy area has been refreshed after QA Monitor left recommendations on last Monitoring Inspection. Plants, throw pillows and new books have been added.</p> <p>Monthly fire drills are documented.</p> <p>New staff file (3) review was completed; all required documents are in place.</p> <p>Handwashing was observed during washroom routines.</p>
