<p>General Comments</p> <p>Three/ Four Year Old Room:</p> <p>The children were engaged in dramatic play (travel/ airport/ mail). Educators were observed adding props to the dramatic play area to expand on the children's interests and learning. Each child has a mailbox and there are envelopes accessible to encourage children to leave mail for their friends. The children were involved in meaningful conversations with their educator about the world and travel. The environment was set up with invitations and current documentation is posted at the children's eye level. Painting and sensory were set up and ready for the children to use.</p> <p>Recommend: Adding playdough, plain white paper for drawing and more mark making materials to learning environment.</p> <p>Four Year Old Room:</p> <p>The children were observed playing in many different interest centers. Children were weighing their animals, building with magnetic tiles and playing in their airplane in the dramatic play area. Educators were engaged in play both indoors and outdoors.</p> <p>Recommend: Adding playdough and tools each day. Ensuring easels are ready with paper to encourage the children to paint. Documenting violent behavior and notify parent when this occurs each time.</p>
