### General Comments

#### Monitoring Inspection:

Children and educators observed engaged in a variety of activities this morning including dramatic play, outdoor play, gross motor play, fine motor activities and open-ended art. Each environment is set-up with a variety of materials and invitations for the children to explore.

Documentation and materials have been added throughout the environments that support the children's current interests (bugs, butterflies, nature, camping, international foods, and restaurant).

General Comments

Next steps:

Creating a mark making space that is inviting for children. QA Monitor left suggestions of materials with educators.

Meatballs and mashed potatoes were served for lunch.

Monthly fire drills were observed to be documented.
