<p><b>General Comments</b></p> <p>Children engaged in indoor and outdoor play today. Invitations are set up for the children when they arrive from school. Educators have added materials to the dramatic play area to create an office/school.</p> <p>Cozy area needs some attention. How can you make this area more inviting? Books should be added based on the children's interests and that are age appropriate. Some Examples: Weird But True, Graphic Novels, Non Fiction, Robert Munsch, Etc.</p> <p>Recommend adding separate labelled bins in the block area for the accessories. This will encourage children keep this area organized independently.</p> <p>Children observed serving themselves a healthy snack today.</p>
