General Comments
<p>A renewal inspection occurred today. Children were engaged in free play in both learning environments. Materials were displayed and labelled in clear containers to help support maintenance and care. Children were observed having snack (trail mix, milk and grapefruit). One group in the gym was playing hockey, while the other side were engaged in art, reading and free play.</p> <p>In the back room, children were engaged in science materials (dish detergent and rocks). Materials were reflective in children's current interests, curiosities and passions.</p> <p>Paint on walls in both environments needing to be re done. Admin has work order and QAM will follow up at next monitoring.</p> <p>All staff files were observed and complete. A random review of children's files were observed and also complete.</p> <p>All checks were documented and complete.</p>
