Order for Compliance	Regulation	Date to be corrected	Date corrected
40(1) An operator of a licensed facility shall ensure that personal belongings of a child receiving services at the licensed facility that are brought to the licensed facility, including combs, brushes, toothbrushes, towels, washcloths, bedding, pacifiers and soothers, are (c) stored separately for each child.	40(1)(c)	Nov 24, 2023	
Comments: The Quality Assurance Monitor observed children putting their book bags, jackets, lunch box, boots etc. on the floor and all mixed up. The space to store children's personal belonging is limited. Providing each child with a place for personal belongings helps in keeping items separate so that belongings do not get lost or mixed up. Children learn how to take care of their belongings, and the risk of communicable disease is reduced.
