Order for Compliance	Regulation	Date to be corrected	Date corrected
----------------------	------------	----------------------	----------------

General Comments
Inspector is on site for the Renewal Inspection During the renewal inspection, the inspector observed the children playing freely in the gym and lunch. The children went outside earlier this morning as the weather is really hot. Another group went on an outing at White Birch Park and had to come back early as the temperature is hot. The children this afternoon will be doing a squishy craft. Ratio is respected during the inspection.
