

## Early Learning and Childcare Facility Inspection Report

Type of Inspection:  
Monitoring Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

|                                                                    |                                             |                                     |

| Order for Compliance                                                                                                                                                                                                                                                       | Regulation | Date to be corrected | Date corrected |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|----------------------|----------------|
| 12(3) An operator of a licensed facility shall ensure that a criminal record check or a vulnerable sector check, as the case may, and a check with the Department of Social Development is conducted on each staff member and associated person at least every five years. | 12(3)      | Oct 06, 2026         | Oct 07, 2026   |
| Comments: The Quality Assurance Monitor observed a new social development verification in the staff file. Deficiency is now compliant                                                                                                                                      |            |                      |                |

|                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p><b>General Comments</b></p> <p>The Quality Assurance Monitor is on site in the morning to conduct a follow-up inspection. The child-to-staff ratio was respected during the visit.</p> <p>The Quality Assurance Monitor observed that construction work had begun in the outdoor play area. A second reminder was provided to the operator regarding the requirement to submit an application for change.</p> <p>The Quality Assurance Monitor observed two groups of children returning from an apple orchard outing and transitioning to lunch and nap time. In two other classrooms, the children were observed eating lunch and then transitioning to nap time and quiet time.</p> <p>The deficiency is now compliant.</p> |
