

## Early Learning and Childcare Facility Inspection Report

Type of Inspection:  
Monitoring Inspection

Pursuant to section 21 of the *Early Childhood Services Act*, operators of licensed early learning and childcare facilities must post their most recent inspection report in a clearly visible and prominent place in the facility.

|                                                                   |                                             |                                                        |

| Order for Compliance                                                                                                                                                                                                                                                                                                                                                                         | Regulation | Date to be corrected | Date corrected |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------|----------------------|----------------|
| 12(3) An operator of a licensed facility shall ensure that a criminal record check or a vulnerable sector check, as the case may, and a check with the Department of Social Development is conducted on each staff member and associated person at least every five years.                                                                                                                   | 12(3)      | Oct 02, 2026         |                |
| Comments: The Quality Assurance Monitor observed that a staff file contained an expired Criminal Record Check and Vulnerable Sector Check. Each staff member and associated person must obtain a Criminal Record Check and Vulnerable Sector Check at least every five years. Once the updated checks have been obtained, a copy may be submitted to the Quality Assurance Monitor by email. |            |                      |                |

| General Comments                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>The Quality Assurance Monitor is on site in the morning to conduct a monitoring inspection. The ratio was respected during the visit.</p> <p>The following elements were verified:</p> <ul style="list-style-type: none"> <li>- Daily activities</li> <li>- Daily routine</li> <li>- Indoor play area and equipment</li> <li>- Rest area</li> <li>- Washroom</li> <li>- Storage space</li> <li>- Personal belongings</li> <li>- Diaper changing</li> </ul> <p>While reviewing the attendance records, the Quality Assurance Monitor observed that a child's departure time had not been recorded for the previous day. Attendance records must be completed each time a child arrives and departs from the facility. The educator immediately updated the attendance record by documenting the child's departure time.</p> <p>The children were observed playing in the outdoor play area. They were engaged in a water and soap sensory</p> |

General Comments

activity, washing small animal toys. The Quality Assurance Monitor also observed the children transitioning to lunch (lunch boxes) and then to nap/quiet time. Two educators were observed singing songs with the children. Positive interactions were observed between the educators and the children throughout the visit.
