Order for Compliance	Regulation	Date to be corrected	Date corrected
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (j) smoke alarm, smoke detector and fire extinguisher inspection and maintenance records.	24(1)(j)	Mar 22, 2019	
Comments: Director does not have access to these records as they are maintained by the building owner. Director will obtain copies and send to QA Monitor for verification. Director will, going forward, request copies from the building owner.			
44 An operator of a licensed facility shall have a first aid kit that is equipped with the contents prescribed by New Brunswick Regulation 2004-130 under the Occupational Health and Safety Act as a first aid kit that is not a personal, Type P first aid kit, and a telephone in working order (c) on each outing.	44(c)	Mar 15, 2019	
Comments: In the audited kit, a bottle of hand sanitizer has leaked and soiled a few of the items. The contents of the kit must be sanitary. Director will replace all items and send written confirmation to QA Monitor when completed.			

<p>General Comments</p> <p>QA Monitor conducted a follow up inspection visit. Observed positive interactions between staff and children. QA Monitor provided Director with copies of the CAT for new staff. One classroom has fully embraced the theory of loose parts, children are very engaged and the learning experience appears rich and meaningful. All other classrooms are also well provisioned with a variety of loose parts and single focus toys.</p>
