<p><b>General Comments</b></p> <p>The inspector is onsite to complete the renewal inspection and observes the children listening to a "12 Days of Christmas" story, eating lunch, and the rest period. The educator shows the inspector the Christmas activities completed throughout the month of December. The center is well decorated with the children's creations and Christmas decorations.</p> <p>The children are wearing Christmas-themed clothing, as the operator took daycare photos in front of the Christmas tree earlier in the morning to give to parents.</p> <p>Positive interactions between the operator and the children are observed throughout the renewal inspection. Ratios are also respected.</p>
