General Comments

The Quality Assurance Monitor is on site mid-morning to conduct a monitoring inspection.

The following elements were verified:

- Child Guidance
- Rest Area
- Daily Routine
- Safety
- Premises

During the Monitoring Inspection, children were observed playing in the outdoor playground, engaging in discussions with the operator about a piece of bark they had found. The group then transitioned indoors, washed their hands, participated in story time featuring "The Crayons Trick or Treat", had lunch from their lunch boxes, and began transitioning into nap time.

The Ratio is respected during the monitoring inspection.
