24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (b) child records that include: (v) the child's health history and a copy of the record of immunizations or a copy of an exemption.	24(1)(b)(v)	Sep 22, 2026	Sep 15, 2026
Comments: The inspector reviewed 11 children's files and observed one file is missing the immunization record. All children's files must include the child's health history, including a copy of the immunization record or a copy of the exemption. The administrator received a copy from the parent before the inspector left the facility and added it into the child's file. Deficiency is now compliant.			
47(1) An operator of a licensed facility shall refuse admission to a child if satisfactory proof of the immunizations required by the Public Health Act or the regulations under that Act is not provided.	47(1)	Sep 22, 2026	Sep 15, 2026
Comments: The inspector reviewed 11 children's files and observed one file is missing the immunization record. All children's files must include the child's health history, including a copy of the immunization record or a copy of the exemption prior to the child's entry. The administrator received a copy from the parent before the inspector left the facility and added it into the child's file. Deficiency is now compliant.			

General Comments
The renewal inspection was conducted over two days, on September 15 and 16, 2026. On September 15, the inspector observed the morning snack, indoor free play, and classroom transitions. One classroom is preparing for a walk to the park, while another is getting ready for an outing to the gym. The inspector verified that parental consent had been obtained for both outings. The inspector also observed a group activity in one classroom, where children are decorating cardboard using stickers. Morning outdoor play is observed, including an activity where one classroom is drawing with chalk. The lunch period and rest period are also observed. A discussion is being held with the administrator to clarify that eligible educators must complete the required 10

General Comments

hours of professional development before the permit expiration date of September 30, 2026.

Another discussion is held with the educator and administrator to ensure that all children's personal belongings, including lunch boxes and water bottles, must be clearly labelled with the child's name.

The ratio is respected throughout the inspection.

On September 16, 2026, the inspector observed lunch period, rest period and afternoon snacks.

In one classroom, children are engaged in a coloring activity.

The ratio is respected throughout the inspection.
