General Comments
The renewal inspection was conducted over two days, on September 15 and 16, 2026. On September 15, the inspector observed the morning snack, morning outdoor play, lunch period, rest period and indoor free play. The inspector observed the educator reading a book to children while waiting for lunch to be served. Positive child guidance such as speaking softly and respectful to the children is observed. A discussion is being held with the administrator to clarify that eligible educators must complete the required 10 hours of professional development before the permit expiration date of September 30, 2026. Another discussion is held with the educator and administrator to ensure that all children's personal belongings, including lunch boxes and water bottles, must be clearly labelled with the child's name. The ratio is respected throughout the inspection. On September 16, 2026, the inspector observed lunch period, afternoon snacks and school-age children arriving from school. The inspector observed the outdoor play in the afternoon and half of the classroom going on an outing. The ratio is respected throughout the inspection.
